After you have logged in the following screen will appear.

The screenshot shows the 'My ConnectMed' profile page. At the top left is the 'connectmed' logo with a calendar icon. At the top right is a blue menu icon. Below the logo is the title 'My ConnectMed'. A navigation bar contains five tabs: 'My Info' (highlighted in blue), 'Practices', 'Appointments', 'Prescriptions', and 'Health Record'. The 'Profile' section is expanded, showing a dark grey header with the word 'Profile' and three white buttons: 'Change Password', 'Change Email', and 'Change Mobile Number'. Below this are form fields for 'First Name' (containing 'Minnie'), 'Last Name' (containing 'Mouse'), 'Gender' (a dropdown menu with 'Female' selected), and 'Date of Birth' (three dropdown menus for day, month, and year, with values '12', 'December', and '1968' respectively).

You will need to click on the second tab **'Practices'** to bring up the following screen, where you will add **Greenwood Medical Centre as your practice**. You will need to click on 'Add a Practice', and type Greenwood Medical Centre in the space provide. A list of practices will appear and you will need to click on Greenwood Medical Centre and click on Add Practice.

The screenshot shows the 'My ConnectMed' 'Practices' page. At the top left is the 'connectmed' logo. At the top right is a blue menu icon. Below the logo is the title 'My ConnectMed'. A navigation bar contains five tabs: 'My Info', 'Practices' (highlighted in blue), 'Appointments', 'Prescriptions', and 'Health Record'. The 'My Practices' section is expanded, showing a dark grey header with the word 'My Practices' and a white button: 'Add a Practice'. Below this is the 'Add a Practice' section, which has a text input field containing 'Greenwood Medical Centre' and a blue 'Add Practice' button.

From here on you can click on either Appointments or Prescriptions depending on which you require.

For prescriptions ...

The screenshot shows the 'New Repeat Prescription' form. At the top, there are navigation tabs: 'My Info', 'Practices', 'Appointments', 'Prescriptions', and 'Health Record'. The 'Prescriptions' tab is active. On the left, there is a sidebar with 'New Prescription' and 'Prescriptions'. The main content area has a title 'New Repeat Prescription' and a note: 'Prescriptions will take 24 Hrs to process. You must have seen the doctor in the last 6 Months and have no outstanding accounts. You will be sent a txt message to let you know when your script is ready.' Below this is a red warning: 'If this prescription is for another family member, please indicate in the comments section.' The form fields include: 'Practice' (Greenwood Medical Centre), 'Doctor' (Dr Tim Akroyd), 'Delivery' (Collect at reception desk), 'Urgent' (No), and 'Medicine' (two empty input fields). To the right of the 'Medicine' fields are 'Add' and 'Remove' buttons. A 'Prescription Request Cost' box shows 'Collect at reception desk' for \$20.00 and a 'Total' of \$20.00. Three callout boxes provide instructions: 1. 'Select your own doctor from the drop down box' pointing to the Doctor field. 2. 'There are 3 options under Delivery, please use the drop down box to select your method' pointing to the Delivery field. 3. 'After each medicine requested click on 'Add'. If requesting additional medication enter those after the 'Add'' pointing to the Add button.

Each field needs to be completed.

You will need to select your Doctor from the Drop down box (as it defaults to Dr Akroyd)

You will need to type in each medication and then click on add, and then if you require further medications type in the medication again and click add. This step can be done several times to enable you to order several medications.

Once you click on send you will see the screen below
